Subject: MOA

Hi,

I called Mike Harris this morning about the status of the MOA. He said things are very busy around EPA because of the end of the Fiscal Year and preparing for a change in Administration. He was hoping to discuss EPA's progress regarding the MOA with Sherry and Erik next week and report back with timelines. He does not think there will be much progress until the beginning of the Fiscal Year? I will contact him again next week, if I do not hear back from him. Things just do not move quickly at EPA Region 5. Jeez!

Thanks

Larry
